THE MAPLE

Dedication

Henry J. Ranta

Our yearbook is published by the students and supported by the Seniors of Essex Agricultural High School. The 1968 edition has been dedicated by the Seniors to Mr. Henry J. Ranta of the Dairy department. "Jake" as he is affectionately known by the staff has served the school over 25 years as an instructor and county milk tester. We are all proud that he is the recipient of this year's dedication.

In Memoriam

The passing John C. Peel age 21 who was killed in Vietnam September 17, 1967 saddened all of those who knew him. He was born January 24, 1946 in Haverhill, Mass. He attended Wood Cogswell, Greenleaf & Hunking Schools in Bradford. Before entering Haverhill High School he transferred to Essex Aggie.

John was most active in school sports and activities. He was on the football team for 4 years and received a letter and sweater, weight training 3 years, and was co-captain of the wrestling team 2 years. He also was Captain of the Gymnastics Team 2 years. Also president of the Tropical Fish Club 4 years. All the sports John was in competed with other schools. John has won many prizes and awards, but the best award was when he won a trophy for his outstanding skills in Gymnastics. While devoting most of his time to sports, he still received honor marks.

John had many hobbies that he found time to enjoy--hunting, fishing, skiing, swimming, stock car racing. The skills that he learned while at Essex were Dairy Laboratory work and received his Milk Testers License, farm equipment, managing a farm, and milking dairy cows. John was very competent in handling just about any job. In the four years at Essex he worked various places such as Bradford Silsby Farm Haverhill, Kitridge Farm Andover, and various gardening jobs.

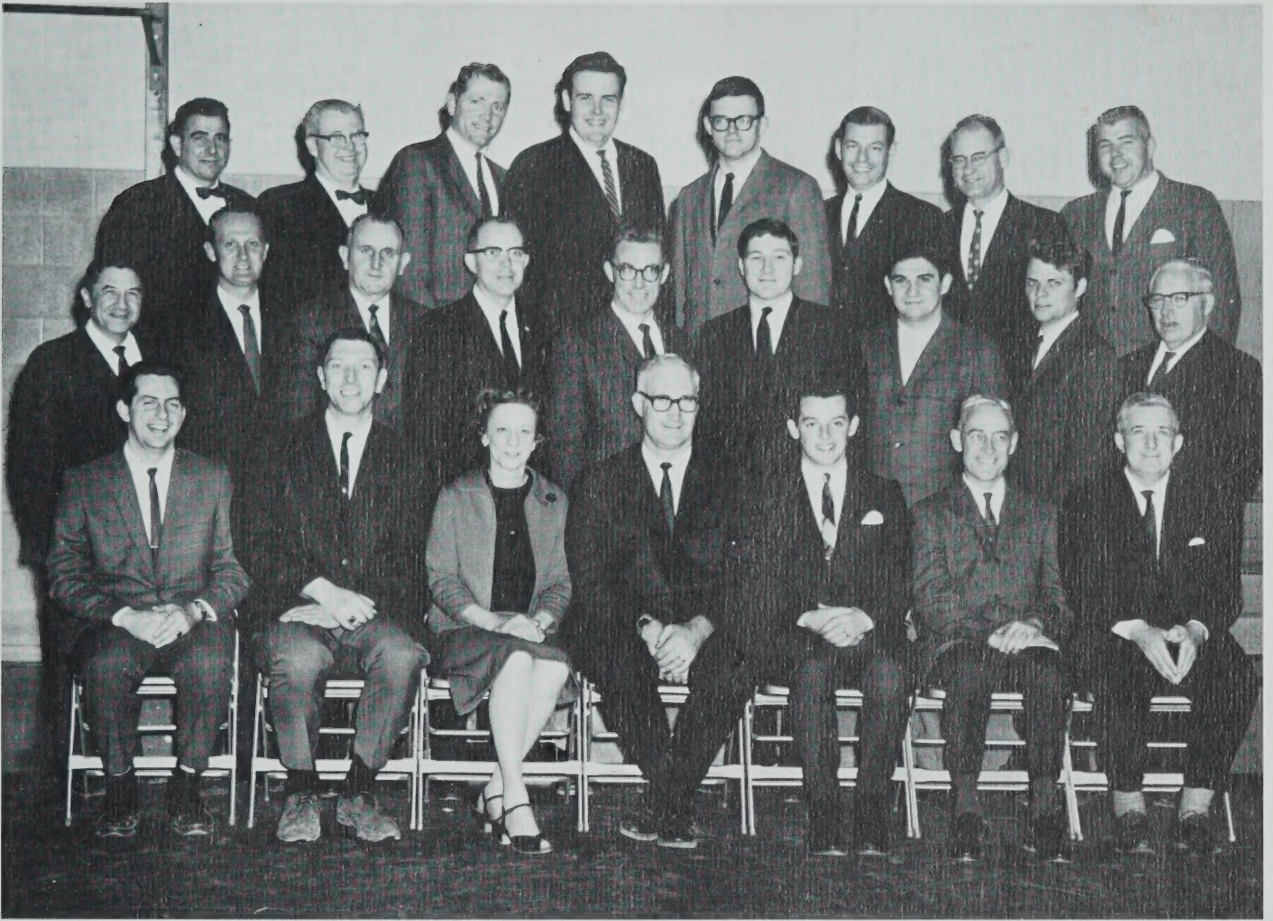

John was accepted at Stockbridge School of Agriculture at the University of Mass. His goal was to become an extension worker at the end of school.

The Aggie has lost a true friend; his outstanding achievements and his personal qualities will long be remembered by all.

Our sincere sympathy is extended to Mr. & Mrs. Peel and Family.

In Review INTERNATIONAL EVENTS

1. British hippies claim that their aim is different from that of American hippies... they don't want to "drop out" of society, but to stay in and change it.

2. French President Charles DeGaulle stirred up a lot of controversy during 1967—here he explains why he feels Britain should not be a Common Market member.

3. Soldiers of the U.S. 4th Infantry Division rest atop Hill 1338 following a fierce battle with the North Vietnamese for the hill in the Dak To area.

4. Israeli soldiers fly their flag from a mosque in the Sinai desert captured by the Israelis during the short-lived Arab-Israeli war in June of 1967.

5. Waving red-colored booklets of Mao's quotations, pro-communist Chinese swarm in front of the Governor's House during May demonstrations in Hong Kong.

6. Mrs. Svetlana Alliluyeva, daughter of the late Soviet dictator Joseph Stalin, was a bit surprised that her defection created so much stir in the U. S.

6

7. In June, Soviet Premier Alexei N. Kosygin came to the United States to address the UN about the Arab-Israeli war and later talked with President Johnson.

8. An Army vehicle bears the casket of former West German Chancellor Konrad Adenauer from Cologne Cathedral, April 25, following a Requiem Mass.

9. Suits came back into fashion during 1967. This one was designed by Lito Manalang for a young fashion house, the year-old British Moderns of New York.

10. This wide angle view of the moon's hidden side was taken on August 6, 1967 and transmitted back to the Jet Propulsion Lab in Pasadena, California.

11. Heavy monsoon rains turned most of South Vietnam into a quagmire during the summer of 1967. Here, U.S. marines prepare to board a Chinook helicopter.

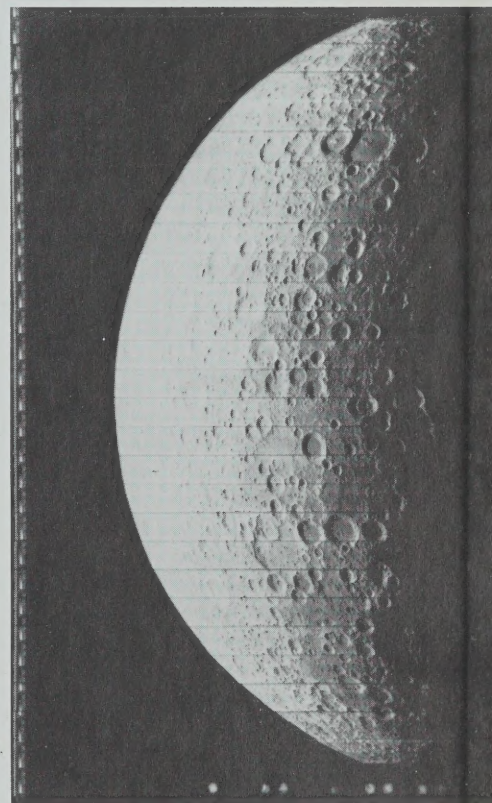

12. President Johnson, shown here in Vietnam, staunchly defended the nation's participation in the Vietnam war despite widespread protests and demonstrations.
